

## Gemini Oasis

## Code 187 Bug Spray

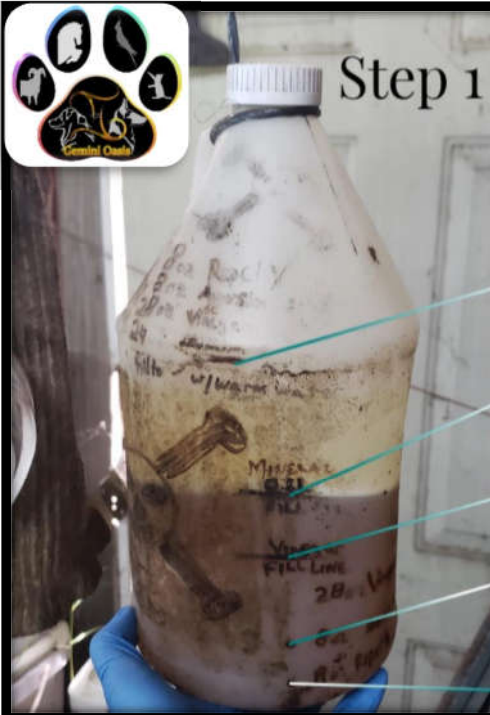

### Thingies, Ingredients & Amounts needed to make your very own Code 187 Bug Spray

1. 1 gallon bottle w/cap
2. Spray bottle
3. 8 oz. Insect Repellent stuff made for Horses/Livestock (*We use Repel-X*)
4. 8 oz. AVON: Original Skin-So-Soft
5. 28 oz. Apple Cider Vinegar (*doesn't matter which brand – just make sure it's apple cider vinegar and NOT other types of vinegars (like white vinegar) – doesn't work as well with other vinegars*)
6. 24 oz. Mineral Oil
7. (Fill rest of way) Water

Step 1

## Marking Your Code 187 Bug Bottle

*Water*

*24oz. Mineral Oil*

*28oz. Apple Cider Vinegar*

*8oz. Skin-So-Soft*

*8oz. Repel-X*

### Instructions:

1. Pour 8oz. of Repel-X (or whatever horse repellent stuff you choose to use) into your 1 gallon container
2. Then pour 8oz. of AVON Skin-So-Soft into your container
3. Then pour 28 oz. of Apple Cider Vinegar into your container
4. Then pour 24 oz. of Mineral into your container
5. Then fill your container the rest of the way with Water
6. Put your cap on.
7. Make sure to shake it up before pouring it into a Spray bottle
8. We spray our horses twice a day. Morning and Evening.
